

FAQ's

WHY IS BUYING LOCAL SEAFOOD IMPORTANT?

- ❖ Only a small percentage of the total food supply in Hawaii is produced here.
- ❖ Fishing is one food system that we excel at. Hawaii Seafood is known around the world and visitors enjoy it as much as locals.
- ❖ Buying Hawaii Seafood supports local fishermen, their families and community.
- ❖ Buying local "anything" helps keep our hard-earned money cycling through the local economy instead of flowing out.

WHAT MAKES HAWAII SEAFOOD SUSTAINABLE?

- ❖ Sustainable seafood comes from well-managed, responsible fisheries.
- ❖ Hawaii's fisheries are among the most intensively studied, monitored and managed fisheries in the world.
- ❖ Our longline fishery has a very high score of 94% compliance with the only global standard for Responsible Fisheries, the United Nations Food and Agriculture Organization (FAO) Code of Conduct.
- ❖ Our management system is science-based, precautionary, transparent and inclusive.
- ❖ It's an exemplary management system and a model for sustainable fisheries.
